**Golden Affair/ “Golden Opportunity Scholarship”**

Date: January 12th, 2018

Time: 8:00PM to 10:30PM

Location: Reitz Union Grand Ballroom

Attendance: 175+

Golden Affair Gala was an event put on to raise funds for two local high-school students on their path to college. The night was filled with elegance, fun, and giving back. There were live performances from our very own UF community with delicious cuisine, guest speakers and so much more. Under this program the chapter awarded two high-school (1 male and 1 female) students each a **\$500 scholarship** to continue their secondary education. Destiny Bivins and Zion Simmons were the recipients of the “Golden Opportunity” scholarship. The recipients and their families gained free access to the gala to enjoy a night of great food and a chance to indulge in the Gator nation.

Golden Affair was an event that the Theta Sigma chapter brought back to campus in order to put emphasis on the importance of education and unity. Too often, local schools feel disconnected from UF and its college students and what better way to bring everyone together for good time than a gala awarding students in our own community. With everything going on in current society, we must continue to give back and uplift those that look up to us. Feedback from Golden

Affair was amazing. Faculty and staff who came out cherished what our chapter accomplished that night because it was new and refreshing for the entire campus. Immediately after, people were anxious for the next time a program like that was going to be put on. This program not only brought everyone together, but we hit one of our National Programs, Go To High School Go To College.

## Golden Night of Unity

Time: 8:00PM to 11:30PM

Location: Norman Field

Attendance: 150 ~

In an effort to raise awareness surrounding issues involving homelessness in both Gainesville and communities abroad, the chapter conducted a food and clothing drive for St. Francis House. The drive was concluded with a block party styled event at which people came and enjoyed live performances from student organizations and outside parties, as well as food trucks, a bounce house, and games. There was a station in which participants could create a bag lunch of PB&J, chips, and fruit and write some anonymous words of hope to the homeless. All the donations (collected both before AND during the event) were divided and dropped off at St. Francis house and Grace Marketplace the following week, as were the bagged lunches. Over one thousand pounds of donations were collected. Approximately eight hundred of which were in the form of clothes.
